

2017 FSBPA Diamond Anniversary Award Nomination Form

Looking to recognize a colleague for an extraordinary achievement during the last year or over the past decade? The categories for FSBPA's Diamond Anniversary Awards Banquet are provided below. There are four special award categories offered this year in celebration of our diamond anniversary to recognize truly exceptional achievements. These are denoted on page 2 with a diamond. Nominations are due by July 31st.

Per Bruun Distinguished Service Award

For significant contributions in the cause of beach preservation. This can be awarded for a single noteworthy project or accomplishment, or for a career of notable achievements. Non-Floridians are eligible. This award is named after the first Director of Coastal Engineering, University of Florida and founder of FSBPA in 1957.

Bob Dean Coastal Research Award

For outstanding research into beach and coastal processes which contributes to improved beach management. This award is named after the University of Florida distinguished research professor and FSBPA's Chair Emeritus.

Jim Purpura/T.Y. Chiu Engineering Award

For outstanding contribution to coastal engineering that enhances beach preservation. The award may be in recognition of innovative scientific research or for long excellence and contributions in coastal engineering. Non-Floridians are eligible. This award is named after the two scientists who pioneered Florida's coastal construction control line program.

Local Government Award

For a local government administrator who has contributed significantly to beach preservation and enhancement. Only Floridians are eligible.

The Richard E. Bonner Award

Recognizing outstanding service by an individual representing the U.S. Army Corps of Engineers.

Environmental Award

For outstanding contributions toward protection of the coastal environment.

Public Service Award

To a public employee whose long service reflects admirably on the governmental sector, specifically in the area of beach management.

Ralph Sexton Private Citizen Award

For a private citizen who has made a significant contribution to the cause of beach preservation in Florida. Only Floridians are eligible.

❖ **Outstanding Leadership Award – 60th Anniversary**

For a local government official who has demonstrated exceptional and unwavering service to the advocacy of beach preservation and enhancement. Only Floridians are eligible.

❖ **Statesman of the Decade – 60th Anniversary**

To the state or national lawmaker who has exemplified commitment and leadership for beach preservation and provided outstanding policy in terms of beach management funding or other program support for managing beaches.

❖ **Project of the Decade Diamond Anniversary Award**

For a project that has exemplified the importance of healthy beaches to Florida communities in regards to storm protection, and economic and recreational benefits. We hope to recognize the poster child of projects from the last ten years.

❖ **Member of the Decade Diamond Anniversary Award**

To a member of FSBPA who has demonstrated unparalleled commitment to the Association and helped advance our goals of beach preservation and protection.
