

2019 National Conference on Beach Preservation Technology

February 6-8* St. Augustine Embassy Suites* St. Augustine Beach, Florida

STUDENT CONFERENCE SCHOLARSHIPS

The National Conference on Beach Preservation Technology (Tech Conference) will be awarding one student a \$500 scholarship that may be used for travel and other expenses to the 2019 Conference. This will also include a conference registration waiver. All students with a selected abstract will receive a registration waiver to the conference. To be eligible for consideration, students must submit an application and poster abstract no later than **December 17, 2018**.

Selected student abstracts will be displayed as posters at the conference. Each student will present their poster and answer questions during designated conference professional breaks in the exhibit area. During the closing general session, one student poster will be announced as the winner and receive the \$500.

The Florida Shore and Beach Preservation Association and the Tech Conference Planning Committee recognize the importance of involving students in this scientific meeting. The conference provides students with a professional development opportunity that will assist them in building a network of colleagues for a future in their prospective fields.

Award

One student poster abstract will be awarded a \$500 scholarship that may be used to offset travel and other expenses. All selected students who present a poster will each receive a complimentary student registration to the 2019 Tech Conference.

Eligibility Criteria

Scholarship applicants can be enrolled either full-time or part-time.

Application Process

Fill out the attached application form and have the student's dean, advisor, or professor sign the form and include it with the abstract submittal.

Deadline for Submission (Application and Abstract)

The application and abstract deadline is **December 17, 2018**.

Poster Abstract Submittal

Provide an abstract of no more than two pages describing your poster in a Word or PDF format. Include name and complete contact information. Abstract submittals shall describe the content of the poster presentation and why it may be of interest to conference attendees.

Selection Criteria

Sponsors and the Tech Conference Organizer will review applications and abstracts, and make the final selection of the student abstracts. A panel of judges will determine the winning poster onsite.

Selection Notification

All student submitters will be notified via email on or before **January 7, 2019**.
